

Hambleton Community Action

Community Equipment & Fundraising Kit

Community Equipment & Fundraising kit

This directory of equipment owned by Hambleton Community Action is available to voluntary & community groups in Hambleton for a small donation. The items are to be collected and returned to our office in Northallerton.

Contents

The equipment is listed in 2 sections:

1. Activities and stalls
2. Other equipment

The directory is available to download free of charge from Hambleton Community Actions website:

www.hambletoncommunityaction.org

Charges

Hambleton Community Action do not make a charge for the loan of the equipment but request a donation upon its return. If it is a fundraising event, a suggested amount would be between 5-10% of your profits.

A maximum of 6 items can be loaned at any one time.

Booking Information for all items

Contact: Kathryn Watts, Hambleton Community Action

1. Activities and Stalls

Spin the Wheel

Players spin the large wheel and win prizes depending on where it stops.

It is made from solid wood and MDF and is hand painted with a high quality gloss finish. The chalkboard wheel allows you to write your own prizes on the segments.

You will need to supply your own chalk.

Approx. Dimensions:

61cm high x 50cm wide

Space Hoppers

The updated version of the seventies space hopper.

The new version space hoppers are even bouncier.

Ideal for both children and adults.

2 Packs available:

Pack 1 = 4 x 66cm (26") Space Hoppers (Blue, Orange & Pink). Complete with a pump.

Pack 2 = 4 x 66cm (26") Space Hoppers (Blue, Orange & Pink). Complete with a pump.

Connect 4 (four in a row)

A larger version of the classic four in a row game.

A great game for indoor and outdoor use.

Coconut Shies

Bring all the fun of the fair to your fundraising event with this traditional favourite. Who will be able to resist the opportunity to test their skill and come away with a coconut?

Coconuts can be purchased fairly cheaply from most large supermarkets. If possible, try to set up the game against a wire fence (e.g. tennis court boundary) to absorb the impact of the wooden balls or construct a simple backdrop with poles and blankets.

Pack contains:

5 Metal Coconut Stands
24 Wooden Balls (5.5cm)

Large Popcorn Machine

NB. A £100 refundable deposit is required for the loan of this popcorn machine.

Instructions provided.

Bag of 12 Telephone Wire Hoops

Just like a telephone cord - hence the name. These are robust and easy to grip quoits and come in 4 colours: red, green, yellow and blue.

Giant Jenga – Hi Tower

Hi-Tower is a game of skill and daring. You must decide when to destabilise the tower and hope your opponent takes a fall.

Foot Golf

A dynamic fast paced mixture of football and golf! It can be played anywhere and with as many obstacles in the way as you see fit!

Position the markers similar to a golf course, start at number 1. Each player in turn kicks their tennis ball towards the marker keeping score as they kick. The winner is the person who has taken the fewest kicks to hit all the markers!

Pack contains:

4 Tennis Balls

7 Numbered Marker Stands

1 Scorecard

Table Tennis Ball Throwing Game

The Table Tennis Ball Throw Game is a super game of skill for all ages. Try and get the balls into the numbered squares, highest score wins!

Quoits Game

Traditional Large Quoits Game, Great Fun!
Play Quoits Indoors and Outdoors

Pack contains:
9 Peg game & 5 Rope Quoits

Wooden Skittles Set

Pack contains:
9 wooden skittles (approx 20cm high)
2 x wooden balls

Ball in Bucket Game

A popular & fun game for all ages and abilities, this traditionally styled game will test the players accuracy skills.

Throw 4 balls, if 2 land in bucket you win a prize. To make the game harder simply increase the distance between the bucket and the thrower!

Pack contains:
Sign written frame
1 Vinyl Bucket
Tennis Balls

Hook a Duck

This game will be loved by the little ones. All they have to do is hook a duck with one of the fishing rods, turn it over and see if they have a winning number.

Pack contains:

3.2ft (99cm) Paddling Pool

2 Fishing Rods

9 Large 10cm Ducks

Tin Can Alley

Fun and Satisfying Knock 'Em All Down Game

Tin Can Alley is a easy to play game of skill and accuracy. The game comes with ten numbered tin cans and three coloured throwing sacks and can be set up both indoor and out.

Pack contains:

10 x Individually Numbered Tin Cans

3 x Coloured Throwing Sacks

Tombola Drum

Handmade wooden table top tombola drum.

Sponge Throwing Game with Stocks

Pack contains: Wooden stocks, sponges, buckets and safety goggles

NB. This is a large heavy item, 110cm wide, 130 cm tall so a large car is required for transportation.

Play Your Cards Right Game

A great interactive fun game, comes complete with a set of large A5 playing cards and instructions.

Various Large Green Fundraising Buckets / Purple Collection Tins

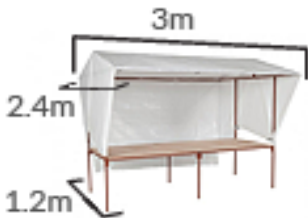

Green tabards

12 green tabards with a transparent A4 size pocket on the front for your own changeable printed insert.

Market Stall

This 3m x 1.2m market stall includes a complete heavy-duty frame, a cover for the top, back and sides, boards for the table area and cover clips.

Will this stall fit in my vehicle? The longest bar in the frame is 2.4m long, total weight approx. 65kg.

Gazebo

Green Pop Up Gazebo 3mx3m (10ft x10ft) with walls and sandbag weights
In carry case: NB this is a heavy item

2. Other Equipment

Cable Channels

Rubber channel cable curb that prevents accidents from trailing cables. 5 x 1.5 metre lengths.

Portable Data Projector

This Hitachi CPX5 portable projector is lightweight and compact in design.

It can be connected to a range of products including: PC, Laptop, Video recorder, DVD player, Digital TV Set Top Box, Games Console etc.

Portable Projection Screen

An easy to use, portable, height adjustable, floor screen with telescopic mast. Steel case with carry handle has pivoting stabilising feet.

Portable Hearing Loop

This P70A is a portable induction loop system in a robust carry case covering 50m². The system enables any number of hearing aid users to listen to speech from microphones, radio microphone, hi-fi, and live performances. Easy to setup and use in any space.

Overhead Projector

A reflective overhead projector – useful for displaying images to an audience and ideal for art projects. Portable and easy to use.

Portable PA System

The Behringer Europort PPA200 packs amazing sound quality into an ultra-compact, portable briefcase-style 200-Watt PA system that sets up in seconds. It has inputs for 2 microphones, an mp3 player, or up to 5 musical instruments. Perfect for entertainment, multi-media presentations, press conferences, board meetings, etc.

2 sets of Display Boards

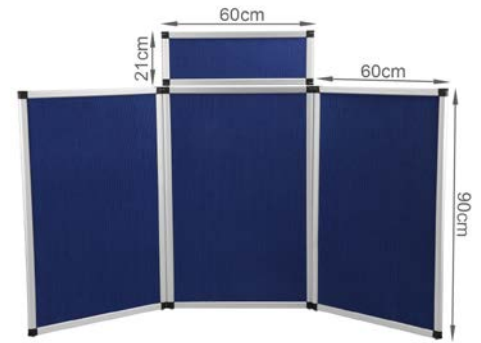

These folding display boards are lightweight but strong and simple to use. The boards have a nylon fabric covering, which accepts VELCRO to attach your own pictures or posters.

Each Pack contains:

3 x Pre-hinged Main Boards

1 x Header Panel

1 x Carry Bag

Flipchart & Pens

A flipchart easel, with paper & pens

Folding tables and chairs

8 White Folding Garden Chairs

2 x 6ft Folding Trestle Tables

2 x 4ft Folding Trestle Tables
